STEWARDSHIP IN THE 21ST CENTURY: DIGITIZATION, PROVENANCE, AND THE YALE BABYLONIAN COLLECTION

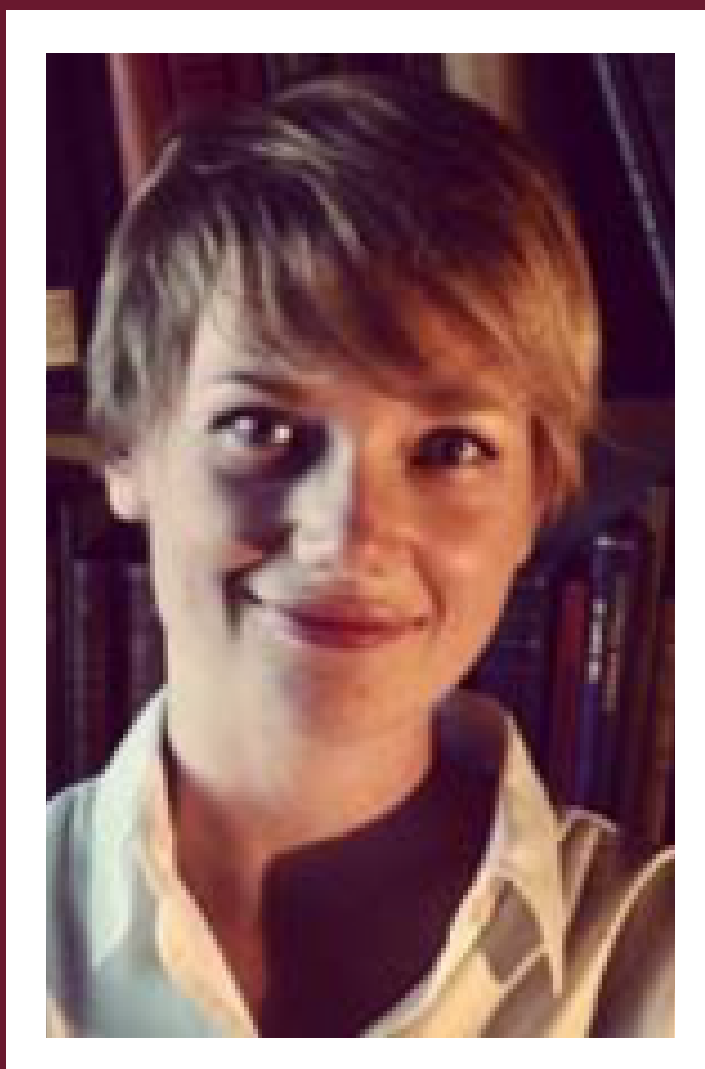

Dr Agnete Wisti Lassen
Yale University

Introducono:

Prof.ssa Lucia Mori
Prof.ssa Paola Buzi

10 MARZO 2026 - ORE 12.00

MUSEO DEL VICINO ORIENTE

Agnete Wisti Lassen is Associate Curator of the Yale Babylonian Collection and lecturer in the Department of Near Eastern Languages and Civilizations at Yale University.

She is trained in the archaeology, history and art history of the ancient Near East. Her approach is interdisciplinary, and she works with visual culture, archaeological material and written sources. Lassen has taught classes on the ancient Near East at Yale University and University of Copenhagen and curated several exhibitions. She has received grants and awards, including the American Schools of Oriental Research's Mesopotamia Fellowship, Yale University's Kohut Fellowship and the Carlsberg Foundation's post-doctoral Grant.
